The Town of Henrietta Supervisor Steve Schultz was present to answer questions regarding the Municipal Coordinated Dog Shelter. He mentioned that there are new regulations put forth by Albany which all towns need to meet. He said that there are grants available to help with the cost of the new dog shelter that would meet the stringent regulations. The Town of Henrietta will be applying for a grant since their current shelter will not comply. The grant submission is January 31st, and they will apply for the grant solely due to the time constraint. He said that they had reached out to the surrounding smaller towns to see if they had an interest in entering in with Henrietta on the dog shelter. There were questions regarding the expectations of the Dog Control Officers from the other towns that participated. He said that Henrietta has two full time Dog Control Officers that would take care of any dogs in their care Monday through Friday. The participating Dog Control Officers would help with dog care on weekends and holidays.

On a motion of Councilman Schoenthal, seconded by Supervisor Kirch the following resolution was adopted.

Resolution No. 4:

WHEREAS, the New York State Department of Agriculture and Markets has enacted new standards for municipal dog shelters that will make the Town of Wheatland's current facilities non-conforming; and

WHEREAS, the cost to build a conforming facility is beyond the financial capability of the Town; and

WHEREAS, the Town of Henrietta has proposed to the Towns of Rush and Wheatland, the construction of a facility with the capacity to serve all three towns; and

WHEREAS, to make it affordable for the three participating towns, the Town of Henrietta is pursuing a grant from the Companion Animal Capital Project Fund, through an opportunity issued by the New York State Department of Agriculture and Markets.

THEREFORE, BE IT RESOLVED, that the Town of Wheatland supports the application of the Town of Henrietta for a grant from the Companion Animal Capital Project Fund to build a consolidated municipal dog shelter with the capacity to service the towns of Henrietta, Rush, and Wheatland.

BE IT FURTHER RESOLVED, that if the Town of Henrietta receives sufficient funding to make the project affordable for the Town of Wheatland's pro-rata share, with that affordability in the sole determination by the Wheatland Town Board, the Town of Wheatland would enter into an Intermunicipal Agreement with the towns of Henrietta and Rush for the joint construction and operation of the consolidated municipal dog shelter.
